

MEMORANDUM

TO: Scott & White Health Plan RightCare Participating Providers

FROM: Scott & White Health Plan

SUBJECT: Dialysis Added to Prior Authorization List

DATE: June 30, 2016

Dear Participating Physicians/Providers:

Effective August 1, 2016, RightCare will require prior authorization for Dialysis. Participating providers must submit a prior authorization request to RightCare Medical Management.

Please view our Prior Authorization Lists located on the RightCare website at <http://rightcare.swhp.org/en-us/prov/authorizations>. If a service or procedure is not on the Prior Authorization Lists, then it does not require prior authorization. Also, all services or procedures performed by non-participating providers require prior authorization.

If you have any questions regarding RightCare's prior authorization requirements, please do not hesitate to contact RightCare Medical Management at 1-855-691-7947.
