Section 1 – Introduction

This directory provides a list of SeniorCare Advantage HMO network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

The term “PCP” (Primary Care Provider) will be used throughout this directory. Generally, you should get your health care services from your PCP. A PCP is a provider that may be selected by you to coordinate your healthcare.

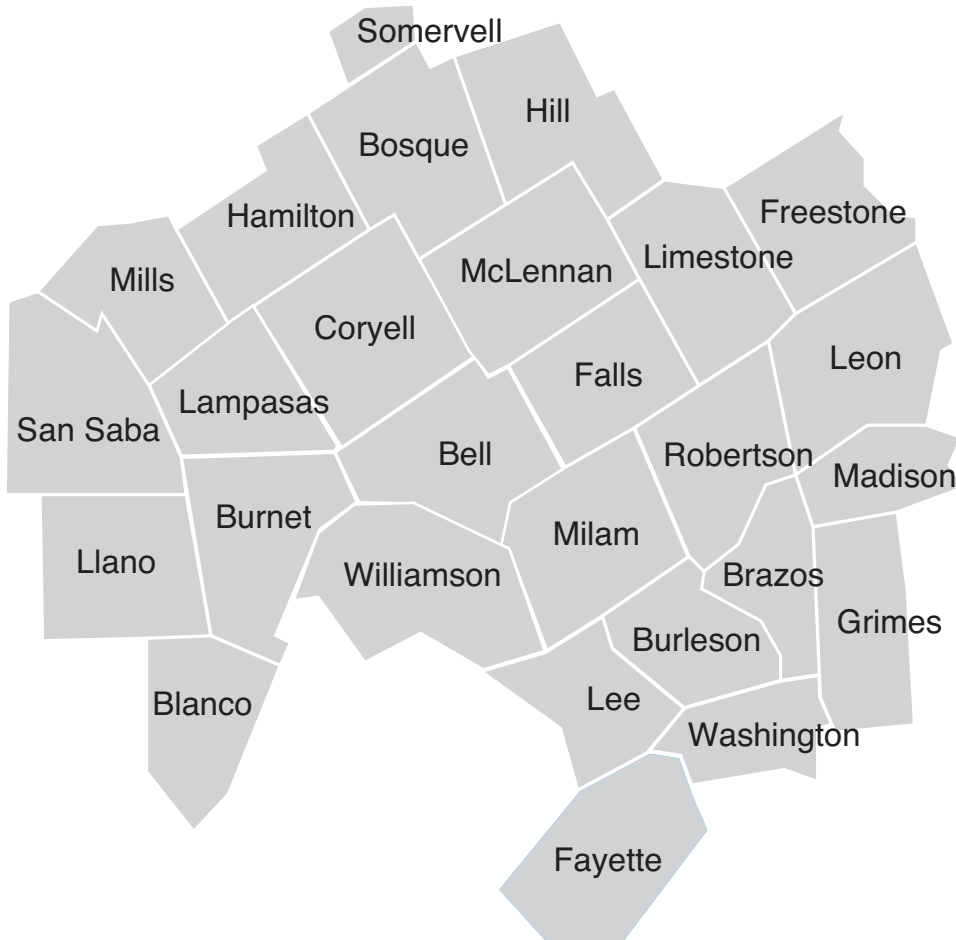

The “network providers” listed in this directory have agreed to provide you with your health care coverage. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue going to that same provider.

With the SeniorCare Advantage HMO Plan, you must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from non-network providers, neither Medicare nor SeniorCare Advantage HMO will be responsible for the costs. In some cases, you may get covered services from non-network providers.

A non-network provider may submit a bill directly to you. If this happens, you should submit the bill to us for processing and determination of your liability, if any. After we have processed the bill, you will be notified of your financial responsibility. You may be responsible for any balances billed to you by the non-network provider.

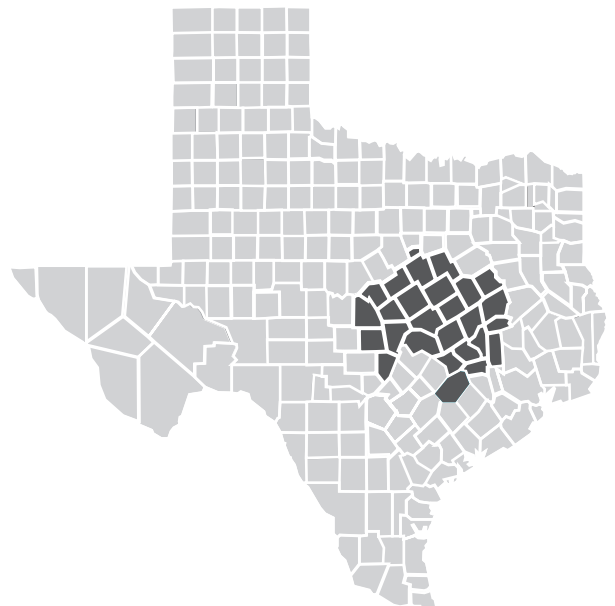

You may obtain emergency services from the closest available provider, and you may obtain urgently needed services from any qualified provider when out of the SeniorCare Advantage HMO service area or when network providers are unavailable.

The term “PCP” (Primary Care Provider) will be used throughout this directory. Generally, you should get your health care services from your PCP. A PCP is a physician that may be selected by you to coordinate your healthcare.

The SeniorCare Advantage PPO “network providers” have agreed to provide you with your health care coverage. You may go to any of our SeniorCare Advantage PPO network providers. If you have been going to one network provider, you are not required to continue going to that same provider.

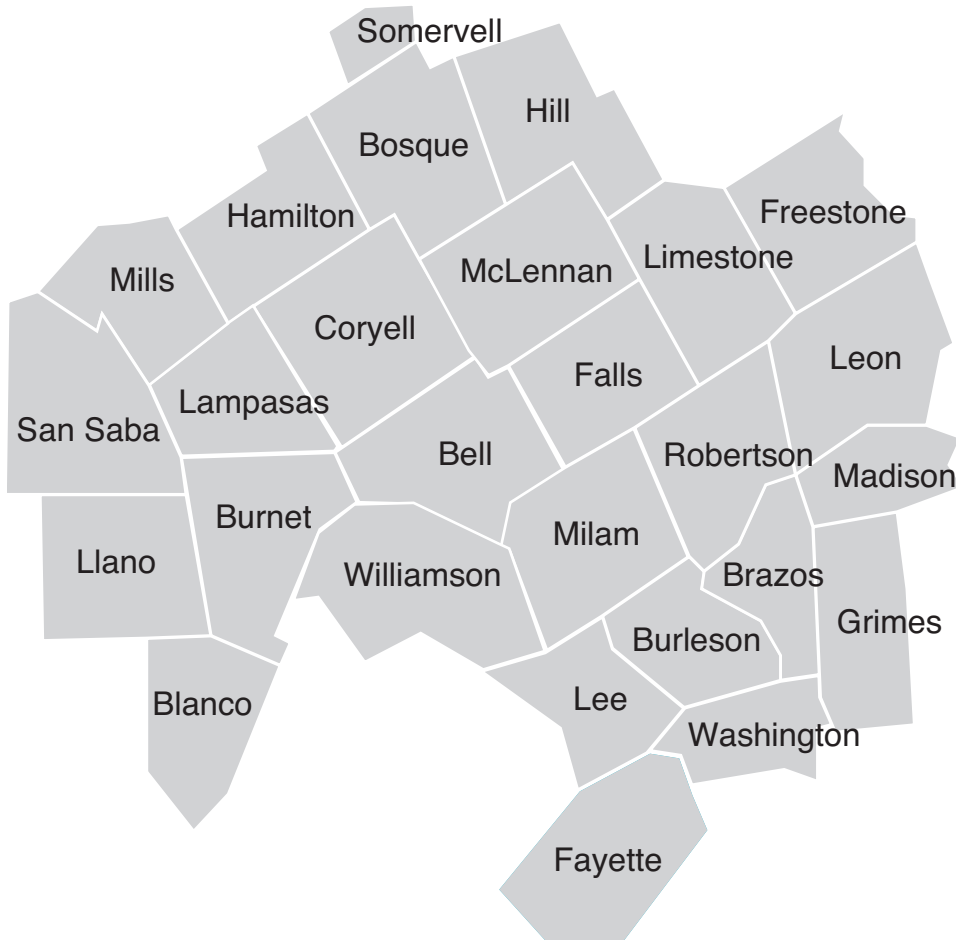

With the SeniorCare Advantage PPO Plan, while we encourage the use of in-network providers, you have the choice to use doctors, hospitals, and other providers that are not contracted with us. With the exception of emergency or urgent care, you will have to pay more for using non-network providers. Non-network providers are under no obligation to treat SeniorCare Advantage PPO enrollees, except in emergencies. For a decision about whether we will cover a non-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Service Department at 1-866-334-3141, Monday – Sunday, 7 a.m. – 8 p.m. (TTY: 711). You may also refer to your EOC for more information, including the cost sharing that applies to non-network services.

Deductibles and higher coinsurance rates will apply to non-network services. In addition, you may be billed for charges that exceed the Plan’s contracted rate for a service when provided by a non-network provider.

A non-network provider may submit a bill directly to you. If this happens, you should submit the bill to us for processing and determination of your liability, if any. Sección 1: Introducción

Este directorio ofrece una lista de los proveedores de la red de SeniorCare Advantage PPO. Para obtener información detallada sobre su cobertura de atención médica, consulte su Evidencia de cobertura (EOC).

En todo este directorio, se empleará el término “PCP” (Proveedor de atención primaria). Por lo general, debe obtener los servicios de atención médica de su PCP. Un PCP es un médico que usted puede seleccionar usted para coordinar su atención médica.

Si bien alentamos el uso de los proveedores de la red, con el plan SeniorCare Advantage PPO usted tiene la opción de usar médicos, hospitales y otros proveedores que no tengan un contrato con nosotros. A excepción de la atención de emergencia o urgencia, usted tendrá que pagar más por usar proveedores fuera de la red.

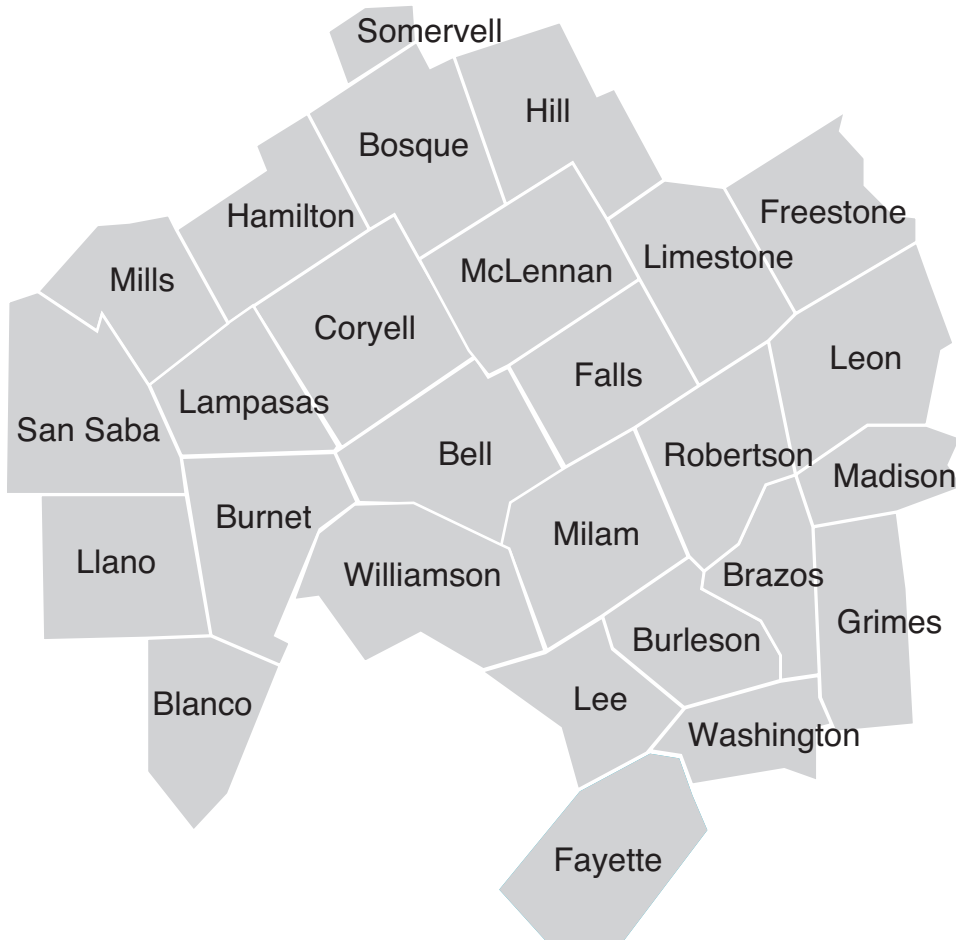

Los proveedores fuera de la red no tienen obligación de tratar a los miembros de SeniorCare Advantage PPO, excepto en una emergencia. Para averiguar si cubriremos un servicio fuera de la red, recomendamos que usted o su proveedor nos soliciten una determinación de la organización anterior al servicio antes de que reciba el servicio. También puede consultar su EOC para obtener más información, incluido el costo compartido que se aplica a servicios fuera de la red.

Se aplicarán deducibles y coseguros más altos a los servicios fuera de la red. Además, se le puede cobrar por gastos que excedan la tarifa contratada del plan por un servicio cuando sea provisto por un proveedor fuera de la red.

Un proveedor fuera de la red podrá enviarle una factura directamente a usted. Si esto sucede, usted debe presentarnos la factura para procesarla y determinar su responsabilidad, si la hubiere. Luego de que hayamos procesado la factura, usted será informado sobre de su responsabilidad financiera. Usted será responsable por cualquier saldo que el proveedor fuera de la red le facture.

Puede obtener servicios de emergencia del proveedor disponible más cercano al lugar donde usted esté y puede obtener servicios de urgencia de cualquier proveedor calificado cuando usted se encuentre fuera del área de servicio de SeniorCare Advantage PPO o cuando los proveedores de la red no estén disponibles.
