- MOMS Program
- Scott & White Cancer Resource Center
- Website at ers.swhp.org

Other clinical quality initiatives such as pediatric immunizations, breast cancer screening, cervical cancer screening, osteoporosis prevention, etc., are being conducted along with chronic disease management programs.

CHOOSING YOUR PRIMARY CARE PHYSICIAN (OPTIONAL)

Now that you have chosen SWHP, your next choice will be deciding who will provide most of your health care services. SWHP is an Open Access Health Plan. A member can go to any network provider without a referral. Members may choose a network primary care physician (PCP) if they would like, but PCP designation is not required by the Scott & White Health Plan. If you choose a PCP, you may choose from the following:

- Family Medicine doctors treat all age groups from newborn to the elderly.
- Internal Medicine doctors treat patients 18 age or older.
- Pediatric doctors treat children up to age 18.

In selecting a PCP, consider which clinic or doctor would be most convenient to meet your own medical needs. You and your dependents may select his or her own PCP. Once you designate a PCP, you can make an appointment with that PCP or, if he/she is unavailable, any of the other doctors of the same specialty. You can change your PCP at any time by simply contacting a Customer Advocate at (800) 321-7947 or (254) 298-3000. TTY/TDD (800) 735-2989.

There are symbols on the PCP listings indicating if the doctor is accepting patients.

- No symbol by the doctor's name means that doctor is accepting patients.
- ☉ means the doctor will have to approve any new patients.
- ⬠ means the doctor is accepting patients, but is available only on a limited basis.

Please contact a Customer Advocate if you have questions or need additional information.

ATTENTION FEMALE ENROLLEES:

THE RIGHT TO DESIGNATE AN OBSTETRICIAN/GYNECOLOGIST (OB/GYN)

You have the right to designate a participating OB/GYN to whom you have access without first obtaining a referral from your PCP. You are not required to designate an OB/GYN. You may elect to receive your OB/GYN services from your PCP. If you have any questions regarding this notice, please contact a Customer Advocate at (800) 321-7947 or (254) 298-3000. TTY/TDD (800) 735-2989.

HOSPITAL BASED PHYSICIANS

Although health care services may be provided to a member at a SWHP participating provider facility (such as a hospital), other professional services may be provided by physicians at that facility who may not participate as a provider with the SWHP Provider Network. The member may be responsible for payment of all or part of the fees for those professional services that are not paid or covered by the member's health benefit plan. SWHP has established an out-of-network (OON) fee schedule for hospital based providers. Please be aware that SWHP will reimburse the out-of-network provider up to the amount on the fee schedule, minus any applicable copayments, coinsurance, and/or deductibles.

To confirm whether or not your hospital utilizes participating physicians such as pathologists, anesthesiologists, radiologists, and emergency room physicians, please contact a SWHP Customer Advocate at (800) 321-7947 or (254) 298-3000. TTY/TDD (800) 735-2989.
