July 24 Drug Utilization Review Board Meeting Announcement

Background:

The Texas Drug Utilization Review (DUR) Board meets quarterly to make recommendations about outpatient prescription drugs on the Texas Medicaid Formulary.

Key Details:

The next DUR Board meeting will occur virtually using Microsoft Teams on July 24. Registration is required for all attendees and HHSC recommends attendees complete the virtual attendance registration. A registration link will be provided soon.

In addition, people providing public or written comments must complete the appropriate testimony registration. Forms will be available from the Vendor Drug Program website in the week ahead.
