There is no deductible for BSW SeniorCare Advantage for select insulins. Your out-of-pocket costs for select insulins will be \$35 during the deductible and initial coverage phase. BSW SeniorCare Advantage also offers additional gap coverage for select insulins. During the Coverage Gap stage, your out-of-pocket costs for select insulins will also be \$35.

*This is not a complete description of benefits. Please refer to the plan's Evidence of Coverage at advantage.swhp.org ** If you have Part D prescription drug coverage through another carrier, your drug coverage will end when your new BSW SeniorCare Advantage plan starts. Medicare Advantage plans do not allow members to have medical coverage and prescription drug coverage through two different Medicare Advantage plans. (Stand-alone prescription drug plans (PDPs) are considered Medicare Advantage plans.) If you enroll in a BSW SeniorCare Advantage medical plan without prescription drug coverage, you may owe a late enrollment penalty if you try to sign up for prescription drug coverage later.
