## **Which doctors, hospitals, and pharmacies can I use?**

BSW SeniorCare Advantage HMO has a network directory of doctors, hospitals, pharmacies, and other providers that can be found on our website at [advantage.swhp.org](http://advantage.swhp.org). You must use network providers and pharmacies for covered services, unless authorized by the Plan.

## **What do we cover?**

Like all Medicare health plans, we cover everything that Original Medicare covers – and more.

- Our plan members get all of the benefits covered by Original Medicare. For some of these benefits, you may pay more in our plan than you would in Original Medicare. For others, you pay less.
- Our plan members also get more than what is covered by Original Medicare. Some of the extra benefits are outlined in this booklet.

BSW SeniorCare Advantage HMO covers Medicare Part B and Part D drugs. Certain limitations may apply.

## **How will I determine my drug costs?**

Our plan groups each medication into one of five “tiers.” You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug’s tier and what stage of the benefit you have reached. You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, [advantage.swhp.org](http://advantage.swhp.org).
