Cologuard Testing Benefit Change

You are receiving this message because our records indicate that you may have authorized patients for Cologuard testing through Exact Sciences Laboratories.

Please note that Cologuard testing is not covered for Scott and White Health Plan members in commercial plans, including the Baylor Scott & White Employee Plan. Although Cologuard was covered for BSWH Employee Plan members in 2018, it was covered as an exception only, and is no longer covered in 2019.

Cologuard is a covered benefit under Medicare and is therefore covered for members of our SeniorCare Advantage HMO and PPO plans.

If you have questions, contact us at 800-321-7947.

Thank you for participating in our network,
