This Consumer Choice of Benefits Health Maintenance Organization health care plan, either in whole or in part, does not provide state-mandated health benefits normally required in Evidences of Coverage in Texas. This standard health benefit plan may provide a more affordable health plan for you although, at the same time, it may provide you with fewer health plan benefits than those normally included as state-mandated health benefits in Texas. Please consult with your insurance agent to discover which state-mandated health benefits are excluded in the Evidence of Coverage. The following is a summary of the copayment amounts members must pay when receiving the covered benefits listed below. Refer to the Evidence of Coverage for a detailed explanation of covered and non-covered benefits. If you have any questions or would like more information about the Issuer’s medical and pharmacy benefits go to swhp.org or contact Customer Service, Monday through Friday, 7:00 a.m. – 7:00 p.m. CT, at 844-633-5325, TTY Line 711.

The Issuer does not discriminate based on race, color, national origin, disability, age, sex, gender identity, sexual orientation, or health status in the administration of the plan, including enrollment and benefit determinations.
